Zingen: Cant Help Falling in Love

Wise men say
Only fools rush in
But I can't help falling in love with you
Shall I stay?
Would it be a sin
If I can't help falling in love with you?
Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be
Take my hand
Take my whole life too
For I can't help falling in love with you
Like a river flows
Surely to the sea

Darling, so it goes
Some things are meant to be
Take my hand
Take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you

Lied: Just a Little Talk with Jesus

I once was lost in sin but Jesus took me in
And then a little light from heaven fill my soul
He bathed my heart in love and He wrote my name
above
And just a little talk with Jesus makes me whole
Now let us have a little talk with Jesus
Let us tell Him all about our troubles
He will hear our faintest cry
And He will answer by and by
And when you feel a little prayer wheel turnin'
And you will know a little fire is burnin'
Find a little talk with Jesus makes it right
I may have doubts and fears
My eyes be filled with tears
But Jesus is a friend who watches day and night
I go to him in prayer
He knows my every care
And just a little talk with Jesus makes it right
Now let us have a little talk with Jesus
Let us tell Him all about our troubles

He will hear our faintest cry
And He will answer by and by
And when you feel a little prayer wheel turnin'
And you will know a little fire is burnin'
You will find a little talk with Jesus makes it right
Now let us have a little talk with Jesus
Let us tell Him all about our troubles
He will hear our faintest cry
And He will answer by and by
And when you feel a little prayer wheel turnin'
And you will know a little fire is burnin'
You will find a little talk with Jesus makes it right
Right, right, right

Over Elvis carriere...

Love me Tender:

Love me tender
Love me sweet
Never let me go
You have made my life complete
And I love you so
Love me tender
Love me true
All my dreams fulfilled
For my darlin' I love you
And I always will
Love me tender
Love me long
Take me to your heart
For it's there that I belong
And we'll never part

Love me tender
Love me true
All my dreams fulfilled
For my darlin' I love you
And I always will
Love me tender
Love me dear
Tell me you are mine
I'll be yours through all the years
Till the end of time
Love me tender
Love me true
All my dreams fulfilled
For my darlin' I love you
And I always will
And I always will
And I always will

Bijbellezing: Prediker 3, 1-8

Voor alles wat gebeurt is er een uur,
een tijd voor alles wat er is onder de hemel.
Er is een tijd om geboren te worden
en een tijd om te sterven,
een tijd om te planten
en een tijd om te rooien.
Er is een tijd om te doden
en een tijd om te helen,
een tijd om af te breken
en een tijd om op te bouwen.
Er is een tijd om te huilen
en een tijd om te lachen,
een tijd om te rouwen
en een tijd om te dansen.

Er is een tijd om te beminnen
en een tijd om zich te onthouden,
een tijd om te omhelzen
en een tijd om af te weren.
Er is een tijd om te zoeken
en een tijd om te verliezen,
een tijd om te bewaren
en een tijd om weg te gooien.
Er is een tijd om te scheuren
en een tijd om te herstellen,
een tijd om te zwijgen
en een tijd om te spreken.
Er is een tijd om lief te hebben
en een tijd om te haten.
Er is een tijd voor oorlog
en er is een tijd voor vrede.

Lied: Follow That Dream

Follow that dream, I gotta follow that dream
Keep a-movin, move along, keep a moving
I've got to follow that dream wherever that dream
may lead
I've got to follow that dream to find the love I need
When your heart gets restless, time to move along
When your heart gets weary, time to sing a song
But when a dream is calling you,
There's just one thing that you can do
Well, you gotta follow that dream wherever that
dream may lead
You gotta follow that dream to find the love you
need
Keep a-movin, move along, keep a moving
Got to find me someone whose heart is free
Someone to look for my dream with me

And when I find her I may find out
Just what my dreams are all about
I've got to follow that dream wherever that dream
may lead
I've got to follow that dream to find the love I need
I've got to follow that dream wherever that dream
may lead
I've got to follow that dream to find the love I need
Keep a-movin, move along

Lied: Milky White Way

Yes, I'm gonna walk on that milky white way
Oh Lord, some of these days
Well, I'm gonna walk that milky white way
Some of these days well, well, well, well
I'm gonna walk up and take my stand
Gonna join that Christian band
I'm gonna walk on that milky white way
Oh Lord, some of these days
I'm gonna tell my mother howdy
Howdy, howdy when I get home
Yes, I'm gonna tell my mother howdy
When I get home well, well, well, well
I'm gonna shake my mother's hand
I will shake her hands that day
That's when we walk on that milky white way
Oh Lord, one of these days
I'm gonna meet God The Father and God The Son
Yes, I'm gonna meet God The Father and God The Son
Well, well, well, well
I'm gonna sit down and tell Him my troubles
About the world I just came from

That's when we walk on that milky white way
Oh Lord, one of these days

Overdenking: Een tijd om te dromen: Follow that dream!

Lied: If I can dream

There must be lights burning brighter somewhere
Got to be birds flying higher in a sky more blue

If I can dream of a better land
Where all my brothers walk hand in hand
Tell me why, oh why
Oh why can't my dream come true

There must be peace and understanding
sometimes
Strong winds of promise that will blow away the
doubt and fear

If I can dream of a warmer sun
Where hope keeps shining on everyone
Tell me why, oh why
Oh why won't that sun appear

We're lost in a cloud
With too much rain
We're trapped in a world
That's troubled with pain
But as long as a man has the strength to dream
He can redeem his soul and fly

Deep in my heart there's a trembling question
Still I am sure that the answer gonna come
somehow
Out there in the dark, there's a beckoning candle

And while I can think, while I can walk
While I can stand, while I can talk
While I can dream
Please let my dream come true
Right now
Let it come true right now
Oh yeah

Gebeden, dankgebed, voorbede, stil gebed, Onze Vader

Lied: If the Lord wasn't walking by my side

I don't know just what I'd do
If the Lord wasn't walking by my side
When I was drifting (when I was drifting on the sea
of a despair)
And I was wandering (I was wandering if Jehovah's
up there)
Then Jesus found me, (Jesus found me in my sinful
life)
He heard me praying (he heard me praying on my
knees at night)
Now I'm singing (Now I'm singing this happy song)
Because I'm happy (because I'm happy as I go
along)
And I don't know (I don't know) just what I'd do
If the Lord wasn't walking by my side
What would I do, (What would I do when a tear fills
my eyes)
What would I do (What would I do when it's my
time to die)
Well I'd be lonely, discouraged

Burdened on the way
If the Lord wasn't walking by my side every day
I'd be so friendless (I'd be friendless all alone and
blue)
And I'd be helpless (I'd be helpless, wouldn't know
what to do)
And I don't know (I don't know) just what I'd do
If the Lord wasn't walking by my side
What would I do when the tears fill my eyes
(What would I do) What would I do when it's my
time to die
(I'd be lonely, discouraged, burdened on the way)
If the Lord wasn't walking by my side every day
I'd be so friendless, (I'd be friendless all alone and
blue)
I'd be so helpless (I'd be helpless, wouldn't know
what to do)
And I don't know (I don't know) just what I'd do
If the Lord wasn't walking by my side every day
If the Lord (wasn't walking) wasn't walking by my
side
(wasn't walking by my side)
